AMENDMENTS

The previous version of RO 05/22 had incorrect information relating to the First Aid Team. That information has been corrected, notably the day of the week has been corrected from Monday to Tuesdays (except for Monday May 23, which is correct for that week), and timing has been corrected from 1830-2200 to 1830-2000hrs.

We provide the *Monthly ROs* (Routine Orders) to give insight into upcoming activities over the month, including the *Other Important Dates* section which highlights the next month's activities aside from weekly training. We do this to give advanced notice for families, so that you can plan with cadet training in mind.

We then strive to provide a 12-to-48-hour reminder for all activities via the website, to both maximize attendance and for any last-minute detail changes that may happen.

When these dates and times are not accurate, like they were yesterday, we appreciate how frustrating that would be. I sincerely apologize for the inconvenience and confusion this may have caused.

The staff and I here at 87 appreciate your dedication to the cadet program; you truly did make a great choice for your child. We will strive to make sure the ROs are as accurate as possible going forward.

Have a great week,

Capt C. Bowman
Commanding Officer
