SUMMER STAND DOWN

It is hard to believe that it is June already. After 10 months of training that included time behind screens, and thankfully, much more time in-person, we are in the final stretch of the 2021-22 training year. June is a busy month for the cadets as we prepare for our 81st Annual Ceremonial Review and put a wrap on training. This month's Routine Orders are a bit larger than normal, even though we only have a couple weeks of parade nights.

We also expect to get more offers of participation for summer training, including offers for the Cadet Activity Program (CAP). For those cadets that are going to summer training this year, remember to represent 87 proudly, and more importantly, have tons of fun!

On behalf of the Officers, Squadron Sponsoring Committee, and our volunteers, we wish everyone a fun, safe summer, and look forward to seeing everyone back in September 2022.

Enjoy the break!

FUNDRAISER FOR JUMPSTART

In partnership with Carmichaels Meats we are running a dry meats fundraiser for the Jumpstart Program. This is the same pepperoni that we have been selling for the last two years, bringing in funds to help support our Squadron. The same quality product that we've had many, many requests to keep bringing back.

Jumpstart helps provide opportunities to children in our community that cannot afford to participate in youth programs such as sports and cadets. In previous years, we have been able to run a car wash that benefitted Jumpstart.

We are asking cadets and cadet families to step up and help. Part of our program is to teach good citizenship, promote physical fitness and to help our community. Now let's apply some of that Air Cadet spirit to support even more kids!

All items are \$10 each: Pepperettes, Mini Salami, and Beef Jerky

Orders due: June 8th at 1100hrs

Order pickup: June 9th 1600–1900hrs at the Canadian Tire Welland Service Centre

Payment: Submitted to Rob Foster at the Canadian Tire Welland Service Centre.

We ran this fundraiser before with good results. The Quality of the product is excellent.

ANNUAL CEREMONIAL REVIEW

All cadet families;

The Cadets, Commanding Officer, Staff and Parents Sponsoring Committee request the honour of your presence for this year's Annual Ceremonial Review.

The Annual Ceremonial Review is the most important event of the cadet training year. This mandatory parade allows the cadets to display what they have learned over the past year, and to celebrate their accomplishments with awards, guest speakers, and special presentations.

We invite all cadet families to attend. Please see the attached invitation, and make sure to RSVP via the link provided in the invite (<https://87eagle.ca/annual>).

Parade commences at 1400hrs, so please arrive early to find your seats.

CADET365

We have begun the process of transitioning all cadets to the new Cadet365 platform. As all cadets move to Cadet365, we will be retiring our @87eagle.ca system within the next few months. Please make sure to complete the transition ASAP.

What is happening:

All cadets and staff now have access to Cadet365, an online platform almost identical to the @87eagle.ca one we have been using for the past 2 years. This new platform replaces your @87eagle.ca Teams account with a @cdt.cadets.gc.ca account. The good news is that it still uses the same Teams and Outlook you are used to, so you should feel right at home.

Why is this happening:

The CJCR (Cadet and Junior Canadian Rangers) formation has adopted the Microsoft365 platform for all cadets and staff across the country, nicknamed Cadet365. Cadet365 will serve as the official communication platform for our Squadron and the organization, as well as be used for summer training and other training activities. It is **required** in order to attend CTCs this summer.

How do I get started:

Your account is now ready. We require that you perform the following actions:

1. Visit teams.microsoft.com and LOG OUT
2. Login with the username and password that was emailed to you, if you did not receive this email, reach out to 87air@cadets.gc.ca

3. Change your password to something secure that you can remember
4. If you have added Microsoft Teams and/or Microsoft Outlook apps to your phone/tablet, make sure to login to your new account there as well

Your username is now also your new Cadet365 email address.

What if I get stuck:

If you need assistance, reach out to 87air@cadets.gc.ca

What about files that I have on 87eagle.ca?

Download them now. All files will be deleted after we retire it in a few months.
