2022-23 TRAINING YEAR

With summer coming to a close in a few weeks, we wanted to get a good head start on this upcoming training year with an early release of the September ROs (Routine Orders).

September will be a busy training month, with our first night back being Sept 7th, our Annual Open House Sept 14th, and the largest field training exercise in Niagara in recent history on the weekend of Sept 16-18th (see below for details).

In the next few weeks I will be releasing a Mandatory Events letter for the entire year, that will include weekend training, parades, and other non-Wednesday evening activities that are required for attendance.

Weekly team training like First Aid Team, Drill Team, and Range Team will all start in October or later. More details for Teams will be announced in the coming weeks as we finalize training schedules.

The staff and SSC are looking forward to seeing all your faces back on the Parade Square of 87, and we wish you all a great rest of your summer!

Capt C. Bowman
Commanding Officer

WEEKLY TRAINING

All dates are also available on our unit Google Calendar: <https://87eagle.ca/calendar/>. Notes: Attendance to cadet training is mandatory unless stated otherwise, if you cannot attend a mandatory event, you are required to email 87air@cadets.gc.ca. Dress instructions available on our website: <https://87eagle.ca/resources/numbered-orders-of-dress/>. If there is a discrepancy between the ROs and the WROs (Weekly Routine Orders) on our website, the WROs take precedence.

NIAGARA GARRISON EXERCISE

All cadet families;

We are excited to announce the Niagara Garrison FTX (Field Training Exercise) weekend that will take place from Sept 16-18. With 18 cadet units from Niagara and beyond, and around 490 cadets and staff expected to be in attendance, this is the largest joint training exercise we have seen in Niagara in many years.

Cadets are strongly encouraged to attend the entire weekend / FTX, as this FTX will provide an excellent opportunity for leadership, citizenship and personal development. We wish to have a large contingent of cadets from 87 Squadron present. Details for transportation and timing will be released as soon as it is available.

We are all very excited!

CADET365

Every cadet should now have access to the new Cadet365 platform. With that, we are deactivating the old @87eagle.ca Teams accounts by the end of September.

What is happening:

All cadets and staff now have access to Cadet365. This new platform replaces your @87eagle.ca Teams account with a @cdt.cadets.gc.ca Teams account. The good news is that it still uses the same Teams and Outlook you are used to, so you should feel right at home.

Why is this happening:

The CJCR (Cadet and Junior Canadian Rangers) formation has adopted the Microsoft365 platform for all cadets and staff across the country, nicknamed Cadet365. Cadet365 will serve as the official communication platform for our Squadron and the organization, as well as be used for summer training and other training activities.

How do I get started:

Your account is now ready. We require that you perform the following actions IF you are transitioning from 87eagle to Cadet365:

1. Visit teams.microsoft.com and LOG OUT of your 87eagle account. This step is VERY important;

2. Login with the username@cdt.cadets.gc.ca and password that was emailed to you, if you did not receive this email, reach out to 87air@cadets.gc.ca
3. Change your password to something secure that you can remember
4. If you have added Microsoft Teams and/or Microsoft Outlook apps to your phone/tablet, make sure to login to your new account there as well

Your username@cdt.cadets.gc.ca is now also your new Cadet365 email address.

What if I get stuck:

If you need assistance, reach out to 87air@cadets.gc.ca

What about files that I have on 87eagle.ca?

Download them now. All files will be deleted end of September.
