SUMMER STAND DOWN

As we get ready for Annual Ceremonial Review this Saturday, we also are winding down all training before we break for the summer. We will be back the first Wednesday of September, so keep an eye on the website for timing.

Annual Ceremonial Review is the perfect chance to reflect on a year of training, growth, and fun together. This year commenced with the largest Cadet Field Training Exercise (FTX) in recent history with over 400 cadets and staff on the ground training from all three elements – Army, Air, and Sea.

From weekly training to fitness and sports, 3 guest speakers, Canadian Warplane Heritage Museum trip, Cadet Gala, Female Leadership Workshop, Range and Aviation, Poppying, Tagging, and to most recently the Niagara Falls Indoor Waterpark trip, this year has been packed full of experiences, most of them unique to our program.

As we prepare our uniforms for this weekend, I find myself also reflecting on 6 consecutive years as the Commanding Officer of 87. This Saturday, I hand the reigns to our very own Deputy Commanding Officer, Captain Leo Silva, and in doing so, know that 87 will be in the best of hands.

I must say that it has been an absolute honour to serve as CO of 87. This program is second-to-none, and it has been a privilege to help lead, mentor, and coach from the CO seat these past few years alongside my incredible staff and SSC members, all for whom made this job the best I have had. Sincerely, thank you.

I am truly looking forward to the next chapter of our Squadrons history with Captain Silva in the pilot's seat. I will be sticking around, and helping however Captain Silva sees fit as we continue our growth trajectory, and our Strive for Excellence.
